

# ARCHERY RANGE TRAIL INFORMATION

The range is open to the public sunrise - sunset.

Targets are located throughout the woods and open grassland. Terrain is variable and trails are primitive. Each station is located under a shelter with straw bales and target.

## RULES:

- Traditional and recurve bows only, compound bows are not permitted.
- Trail is one way. Once started, you may not turn back.
- Check surroundings before shooting and be aware of off-trail hikers.
- Like all outdoor activities, participants should notify a friend or family of plan, including time out, time back and where you'll be in case of an emergency.
- Dispose of any trash in designated bins.
