ORNCC

(Oregon Ridge Nature Center Council Inc.)

13555 Beaver Dam Road

Cockeysville, MD 21030

(Membership donations are tax deductible)

**To pay via credit card, please visit our website at
oregonridgenaturecenter.org/membership

Proceeds go directly toward the activities of the Nature Center and the maintenance of its trails.

The Oregon Ridge Nature Center Council is a non-profit, volunteer organization dedicated to enhancing the enjoyment of nature. The Oregon Ridge Nature Center's mission is to provide engaging educational and recreational opportunities in nature that will instill a sense of wonder, promote environmental stewardship, and create a lasting legacy of positive choices in our own backyards, Maryland, and the Chesapeake Bay.

Interested in becoming a Volunteer?

Here are some ways that you can help out at the Oregon Ridge Nature Center regularly or once in a while. Mark any activities of interest to you.

Administrative Support

Help answering telephone, with mailings, computer work

Canoe Maintenance

Repair canoes as needed

Construction/Carpentry

Build railings, exhibits, gates, improvement

Council Board or Committee

Serve on the Council or one of the committees

Exhibit Development

Assist with exhibit research and design

Fund Raising

Coordinate events or other fund raising projects

Gardening

Weed, plant, and maintain gardens

Habitat Team

Trail and ground maintenance, removal of invasive species, trash removal

Newsletter

Program Support

Various skills needed to support programs

Publicity

Distribute print publicity (Program calendars and newsletters) and aid in the publicizing of programs and events through various media venues

Ridge Runners

Students ages 13-18 who feed animals, assist with special events and programs

Special Annual Events

Possible duties: Setup, cook, cleanup, assist with activities, crafts or making cider, membership, raffle or other tables

-Ghosts of the Miners Past (late Oct.)

-Honey Harvest Festival (early Oct.)

-Maple Syrup Season (February)

-Music in the Woods (mid-May)

-Pancake Breakfast (early March)

Trail Guiding

Hike with school groups to show students features of the park related to various field trip topics. Training is in early February and September.
